Principal Activity

KSU represents all students attending the University, Junior College, Medical School and the Malta Centre of Restoration – on both a national and international level. KSU represents students on whatever issues concern them, whether it is on a national or international level:

- To serve as an official link between students and the relevant authorities;
- To achieve the democratization of education in Malta;
- To coordinate activities with other organisations,
- To cultivate an interest in students in the fields of education, socio-political and cultural issues; and
- To pressure authorities into assuring the highest level of quality in Higher Education.
