

THE KSU finance guidelines.

The workshop 1

Agenda

Introduction

Overview

Lacking financial Background

Role of the financial Officer

Book keeping

Break

Financial Statements

“This resulted in the creation of this handbook whose aim is to guide financial officers or treasurers of student organisations to take up good practices, which are to be used and adopted throughout their tenure.”

“ Beware of little expenses, a small leak will sink a great ship ”

– Benjamin Franklin

Without financial background one can still grasp the basic concepts and work for the best interest of the organisation.

The role of the financial Officer

- Assist in budget preparation and management activities.
- Conduct periodic financial analysis to identify and resolve issues, gaps or variances.
- Manage cash controls as well as maintain up-to-date bookkeeping.
- Ensure all expenses are within assigned project budget.
- Oversee the preparation of all financial statements, expense reports invoices, proposals, etc as required.
- Manage debtors of the organisation through chasing and monitoring in a timely manner.
- Review financial paperwork and procedures and make appropriate changes.

Cash Account

A Debtor is an asset

A Creditor is a liability

<u>Type of Account</u>	<u>To increase ↑</u>	<u>To decrease ↓</u>
